Automatic grade: Yes

Fareley Exam Prep offers coaching for government exam candidates. They are selecting aspirants enrolled in their course for the super batch to provide special training based on their tier 1 exam scores. As a software developer, you assist them in developing a Java program based on the requirements."

Component Specification: AspirantMain Class

Type (Class)	Attributes	Methods
AspirantMain	private Map<String, Double> **aspirantMap**	Getter and setter methods for the attribute are included in the code skeleton.

Note: key: rollNumber value:markScored for aspirantMap attribute

Requirement 1: Find the mark scored by the given aspirant based on the rollNumber

Type (Class)	Methods	Responsibilities
AspirantMain	public double **findAspirantMark**(String rollNumber)	This method accepts **rollNumber** as an argument. If the rollNumber is present on the Map, it must return the markScored. Else return -1. ***condition:*** *rollNumber is case-sensitive*

Requirement 2: Filter the aspirants selected for super batch

Type (Class)	Methods	Responsibilities
AspirantMain	public List<String> **findAspirantsSelectedForTheSuperBatch**()	This method filters the aspirants based on the below

		condition and returns the result as a List containing the rollNumber of the aspirants selected for super batch ***Condition:*** *Aspirants whose markscored is greater than or equal to* ***80*** *are selected for super batch*

You are provided with the main method as code template and it is excluded from evaluation.

Note:

- In the Sample Input / Output provided, the highlighted text in bold corresponds to the input given by the user, and the rest of the text represents the output.
- Ensure to follow the object-oriented specifications provided in the question description.
- Ensure to provide the names for the classes, attributes, and methods as specified in the question description.
- Adhere to the code template, if provided.

Sample Input/Output 1:

Enter number of records to be added:

5

Enter the details (Roll number : mark scored):

FRL201:76.8

FRL202:65.9

FRL203:87.6

FRL204:73

FRL205:93

Enter the roll number to be searched

FRL202

Mark scored by the aspirant FRL202 is 65.9

Aspirants selected for the super batch are

FRL205

FRL203

Sample Input/Output 2:

Enter number of records to be added:

5

Enter the details (Roll number : mark scored):

FRL201:76.8

FRL202:65.9

FRL203:67.6

FRL204:78

FRL205:59

Enter the roll number to be searched

FRL222

FRL222 is an invalid roll number

None of the aspirants were selected for super batch
